

2024 Yard Waste Information

Dear Yard Waste Customer:

Carroll County's Solid Waste Ordinance 'prohibits' yard waste from being mixed with standard household refuse. Thus yard waste **must** be segregated & managed separately. By choosing our yard waste service, crews will remove your yard waste and **ONLY** yard waste on pre-set collection dates.

- 1) There is a **LIMIT** of THIRTY {30} bags and/or bundles per collection. Due to County Landfill Regulations, all yard waste **MUST** be packaged in paper lawn bags. Yard waste can also be packaged in individual containers {trash cans to be emptied and left behind}. * * * **Under no circumstances will PLASTIC BAGS be collected; yard waste contained in plastic bags will not be collected** * *
- 2) There will be **NO** Tree Stumps, Rocks, Dirt, or Lumber collected during yard waste collection.
- 3) All brush and/or limbs must be less than six {6} feet in length and four {4} inches in diameter and **MUST** be bundled together ~ ~ **Loose limbs sitting curbside will NOT be collected!**
